COPYRIGHT FORM

TITLE OF THE ARTICLE: Enhanced Heart Disease Prediction Using SVM with RandomizedSearchCV

AUTHOR(S)/CONTRIBUTOR(S): Satrajit Das, Dr. Biplab Kanti Das, Abhirup Basu, Subhas Halder

This Copyright Transfer Agreement is made between Learning Publishing (hereinafter referred to as "Publisher") and the undersigned author(s) (hereinafter referred to as "Contributor"), regarding the publication of the Contributor's work (hereinafter referred to as "Contribution") in the collective work specified below.

1. Grant of Right

The contributor/s or author/s grant to the Publisher the exclusive right to:

- Publish, reproduce, and distribute the Work in all forms, formats, and media, whether now known or hereafter developed
- Display and perform the Work publicly
- Create derivative works based on the Work
- License and sublicense the Work to third parties
- Use the Work in electronic, digital, or other formats
- Translate the Work into other languages
- Adapt the Work for use in other media or formats

This grant of rights includes the right to:

- Make changes to the Work as necessary for publication
- Use the Work for promotional and marketing purposes
- Distribute the Work through various channels, including online platforms and databases.

B. Work Made for Hire by Employer: If the Contribution was prepared within the scope of the Contributor's employment, the employer shall be considered the initial rights holder. The employer must agree to transfer these rights to the Publisher in accordance with this Agreement.

C. Transfer of Rights: The Contributor agrees to transfer all copyrights and related rights to the Publisher. This includes rights across all formats, media, and languages, whether currently existing or developed in the future.

2. License to Contributor

The Publisher grants the Contributor a non-exclusive license to use and distribute the Contribution after its initial publication. The Contributor may use it for personal and educational purposes, provided that Publisher's prior written consent is obtained when used commercially.

3. Credit and Use of Name

The Contributor will receive appropriate credit as the author(s) of the Contribution. The placement of credits will be determined by the Publisher. The Contributor also grants the Publisher and its partners permission to use their name, biography, and professional credentials for marketing and promotional purposes.

4. Citation of the Volume

When referencing this publication on professional platforms such as Google Scholar or ResearchGate, Contributors should cite "Learning Publishing" as the publisher.

5. Plagiarism and Self-Plagiarism

The Publisher maintains a strict policy against plagiarism and self-plagiarism. Contributors or authors must ensure that their work is original and properly cite all referenced materials. The similarity index should not exceed 15%,

and all flagged content must be reviewed for proper citation. In any moment of time, if it is realised that contribution is plagiarized, then the Publisher has every right to retract the contribution.

6. Permissions

Contributors are responsible for securing written permission for any third-party copyrighted material included in their work. They must ensure that all tables, figures, and extended text excerpts have appropriate permissions before submission. Any unauthorized material will be removed if the required permissions are not obtained.

7. Manuscript Preparation

A. **Submission Requirements:** The Contributor must format and submit the manuscript as per the Publisher's guidelines. A copy of these guidelines can be found on the Publisher's website.
B. **Revisions:** The Contributor must deliver the draft manuscript by the specified deadline and make any required revisions as requested by the Editor or Publisher.
C. **Final Submission:** The Contributor must provide a complete and properly formatted final manuscript, ensuring accurate citation and reference listings.

8. Production Process

A. **Copyediting:** The Publisher may edit the manuscript for clarity, grammar, and consistency.
B. **Proofs:** The Contributor will be given an opportunity to review and correct the first proofs before final publication.
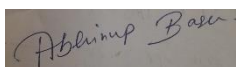

9. Warranties

The Contributor and/or author agrees to indemnify and hold harmless the Publisher against any and all legal claims, damages, and expenses arising from copyright infringement, plagiarism, breaches of intellectual property rights, defamation, or any other claims resulting from the publication of the contributed work. The concerned publisher will not be held responsible or liable in these situations or for any such issues that may arise.
